Office Pennsylvania State Agricultural Society.

Norristown, July, 1862.

Sir: I have taken the liberty of using your name upon the List of Judges for the Exhibition of this Society, to be held at Norristown, on September 30th, October 1st, 2d and 3d. I have also forwarded to your Post Office address, the Regulations and Premiums, and shall be glad to meet you upon the ground. If you cannot attend, be pleased to notify the Secretary, H. Boyd Hamilton, at this place or at Harrisburg, before the 25th of September next. As an inducement to an attendance, I may remark, that the citizens of Pennsylvania, in which portion of the State this Exhibition is proposed to be held, are alive to its importance, and with the aid of this Society, expect to make a display, which, in all respects, will equal any heretofore made by the State Society.

Very Respectfully,

Your Obedient Servant,

THOMAS P. KNOX,
President.

CHEMIST AND GEOLOGIST:

S. S. Haldeman, Columbia, Lancaster county.

LIBRARIAN:

John Curwen, M. D., State Lunatic Hospital.

REGULATIONS

AND

ARRANGEMENTS FOR THE EXHIBITION

To be held at Norristown, Tuesday, September 30, October 1, 2 and 3, 1862.

Any person can become a Member of the Society for one year by the payment of ONE DOLLAR into its Treasury.

Every person becoming a member by the payment of one dollar, shall receive, with his certificate of membership, FOUR coupon tickets, each of which shall admit ONE person to the Fair *once*, and must be given up to the Gatekeeper at the time of entering. Certificate *without* coupon will not admit the bearer.

LIFE MEMBERS will be furnished with the usual Cards of Admission upon application, by letter or in person, with name and address, to the Secretary, at Harrisburg, or at the office, in Norristown.

Tickets of admission will be furnished at the office, in Norristown, at any time after Wednesday, the third of September, and by the Treasurer, at his office, on the Exhibition Ground, during the Exhibition.

Annual Membership, ONE DOLLAR.

Carriages will be allowed to enter the enclosure on the payment of twenty-five cents for a single horse; pair of horses, fifty cents. Each passenger in the conveyance, OTHER THAN LIFE MEMBERS, to pay twenty-five cents. When upon the ground it is indispensable that they be subject to such regulations as may be designated for their government.

To Exhibitors—Entries.

The Book of Entries will be open at the office, in Norristown, on and after Thursday, the *fourth day of September.*

The days of the Fair will be *Tuesday, Wednesday, Thursday and Friday, the 30th of September, and October 1st, 2d and 3d*, 1862.

☞ Exhibitors *must become members* of the Society, and have their articles and animals entered on the Secretary's book, on or before Tuesday evening, the 30th of September; and all articles and animals, (except horses,) must be brought within the enclosure as early as Tuesday noon, in order that they may be suitably arranged for examination by the Judges on Wednesday morning.

☞ Where partners or firms exhibit as such, each member of the firm MUST become a member of the Society.

Any person entitled to a premium of five dollars, or more, in any class, may exchange it for a set of the "Transactions" of the Society, comprised in *five good sized octavo volumes.*

And also ordered, That any person to whom a premium of not less than ten dollars has been awarded, may elect to receive a Silver Medal, or a certificate of Life Membership.

A proper track has been prepared for the trial of horses, entered for speed, against time, under the direction of the Society and its Judges. Commodious seats for spectators will be provided at a small charge.

Horses will be received on Wednesday morning, but must be entered previously.

All persons who intend to exhibit Horses, Cattle, Sheep or Swine, or who intend to offer Stock for sale, should notify the Secretary of such intention, on or before the 22d day of September, and leave with him a list and full description of such Stock, in order that proper arrangements may be made for their accommodation.

Applicants for premiums are particularly requested to pay attention to the directions attached to the list of premiums for *fat* Cattle, *fat* Sheep, *Butter*, *Cheese*, &c., and the statements required from exhibitors of those articles must be lodged with the Secretary before the 29th of September.

Exhibitors, and necessary attendants upon stock and articles, will be furnished with tickets to pass at a *designated gate*. These tickets *will only be good at the* ONE *gate*, and while the stock or article is on exhibition.

The Executive Committee do not intend to assure any exhibitor who neglects these requirements, that his articles can be passed upon by the Judges.

While every effort will be made to secure the examination and proper notice of every article on exhibition, justice to those who comply with the rules of the Society, requires that *they shall, in all cases, first receive attention.*

Articles and animals for exhibition can be entered on and after the fourth of September at the office of the Secretary, in Norristown, until the first day of the Exhibition, September 30, when an office for entry will be opened upon the ground, where entries can be made, only during that day.

Articles or animals removed from the grounds before the close of the Exhibition (except by permission of the President,) cannot receive a premium, though awarded.

☞ On Tuesday the grounds will be opened to the public, and continue open for FOUR DAYS. Single admission, TWENTY-FIVE CENTS.

Police and Superintendence.

A room, connected with the Secretary's Office, upon the grounds, will be prepared, where all attendants and laborers in the employment of the Society, must remain when not engaged, so that the Secretary may avail himself of their services when needed. The Class Superintendents will take the particular direction of all articles in their respective departments: they will be responsible for their departments, and see that all such articles are arranged, as near as may be, in numerical order, for easy approach and examination, at the time required by the Judges.

Superintendents, attendants and laborers will meet at the Office each day, at 8 o'clock, A. M., to perfect arrangements for the day.

Hay and straw will be furnished free for all animals entered for premiums, and grain will be provided at cost price for those who desire to purchase.

Plowing Match.

The Plowing Match will take place on THURSDAY, *October* 2, at 10 o'clock, A. M., at the place of Exhibition.

Persons competing in the matches are required to have their teams hitched and ready to move off at the appointed hour.

Competition without the State.

The Pennsylvania State Agricultural Society makes the field of competition co-extensive with the United States, and cordially invites the citizens of other States to compete with us for our prizes.

Notice to Exhibitors: Transportation.

The Executive Committee will take every precaution in their power for the safety of stock and articles on exhibition, *after their arrival and arrangement upon the grounds;* but will not be responsible for any loss or damage that may occur. They will convey all articles from the Norristown and Reading railroad depots, to the grounds free of charge. Exhibitors will be required to give personal attention to their articles and animals, and at the close of the Fair to attend to their removal, as the Society cannot take further care of them.

The most liberal arrangement for the transportation of all articles intended for exhibition to and from it, are making with the various Railroads of the State, of which full information will be given on or about the first of September.

Animals and articles entered for exhibition, will have cards attached, with the number as entered at the Business Office; and it is required that exhibitors, in all cases, shall obtain their cards previous to placing their articles on the grounds.

Instructions for the Judges.

The Judges are requested to report themselves to the President, on their arrival, at the Business Office at the show grounds; they are desired to meet at the Society's tent, on the grounds, at FOUR o'clock in the afternoon, on Tuesday, the 30th of September, when the vacancies will be filled; and on Wednesday morning, October 1, at TEN o'clock, at the same place, they will be furnished with the books of entries, when they will proceed to decide upon the merits of the different animals and articles entered for premiums.

Lunch will be provided for the Judges on Wednesday and Thursday, in a convenient room, provided for that purpose, on the grounds, to which access will be had by tickets.

The Judges on all animals will have regard to the symmetry, early maturity, size and general qualities characteristic of the breeds which they inspect.

They will make due allowance for age, feeding, and other circumstances, on the character and condition of the animals.

They will not give encouragement for over-fed animals. They will not award premiums for Bulls, Cows, or Heifers which appear to be fattened for the butcher; the object being to have superior animals of this kind for breeding.

Fat Cattle.—The Judges on Fat Cattle will give particular attention to the animals submitted for examination. It is believed that, all other things being equal, those are the best cattle that have the greatest weight in the smallest superfices. The Judges will require all the cattle in this class to be weighed, and will take measures to give the superficies of each, and publish the result with their reports so far as practicable.

No person will be allowed to interfere with the Judges, while in the discharge of their duties; and any person interfering, by letter or otherwise, will be excluded from competition.

No animal or article can take more than *one* premium. All productions placed in competition for premiums *must be* the growth of the *competitors*.

When there is but one exhibitor, although he may show several animals or articles in a class, or sub-division of a class, only one premium will be awarded to one animal; that to be the first, or otherwise, as the merit of the animal or article may be adjudged. And a premium will not be awarded when the animal or article is not worthy, though there be no competition. In any case the person to whom a pecuniary premium may have been awarded may elect to accept a diploma instead thereof.

The Executive Committee may revise the premiums awarded, and if unfair means have been made to obtain a premium, reverse the award of the Judges.

Payment of Premiums.

Cash premiums will be paid by the Treasurer immediately after the reports of the Judges have been announced, and during the week following the close of the Exhibition, at his office, in Norristown.

☞ Persons to whom *cash* premiums have been awarded, are informed that unless they call for them at the place and time specified above, application must be made by letter to the Treasurer, with whom the Book of Awards will be left.

☞ Persons to whom Medals and Diplomas have been awarded, will please furnish their names to the Recording Secretary. The Recording Secretary will deliver the Diplomas awarded, or forward them in such manner as may be directed by the persons entitled to receive them, free of charge to the exhibitor.

General Directions.

Persons intending to exhibit Blood Stock must produce authentic pedigrees, and are earnestly desired to furnish the Secretary, *by the 21st of September, with a list of their stock, with the pedigree of each.* This will facilitate the preparation of entries, and in case of defective pedigrees, will afford the owner time to correct the same.

The Judges *shall in all cases withhold premiums where the animal is not worthy*, though there be no competition.

Prize animals at previous exhibitions will be allowed to compete for premiums; but they must receive *a higher prize, or in a different class*, to entitle them to a premium.

Should any individual enter an animal *in any other name than that of a bona fide owner*, the person making such entry shall not be allowed a premium, soould one be reported by the Judges, and shall be precluded from competing at any future Exhibition of the Society.

Persons entering stock of the age of *three years and under*, shall furnish to the Judges evidence of the time when the animals were dropped, to be delivered to the Judges, and to be filed by them with the Secretary; and the ages of animals above this to be given on making their entries. In the classes of *Short Horns*, *Devons*, *Herefords*, and other stock, the pedigrees of the animals must be furnished to the Judges.

Premiums will not be paid on animals or articles removed from the Exhibition without the approval of the President.

A. BOYD HAMILTON, *Secretary.*

HARRISBURG, *July*, 1862.

JUDGES AND PREMIUM LIST—1862.

The Judges are requested to meet at the President's Tent, at FOUR O'CLOCK, P. M., on Tuesday, the first day of the Fair. Those who cannot attend will please notify the Secretary on or before the 25th of September.

THOMAS P. KNOX, *President.*

NORRISTOWN, *July*, 1862.

Cattle.

Ordered by the Executive Committee, That any person to whom a premium of not less than Ten dollars has been awarded, may elect to receive a Silver Medal, a certificate of Life Membership, or the cash.

Any person entitled to a premium of five dollars, or more, in this class, may exchange it for a set of the "Transactions" of the Society, comprised in *five octavo volumes.*

Fifth best.....do.....do	2

☞ The name of the Plowman must be given, as well as the kind of Plow to be used, at the time of entry.

RULES FOR PLOWING.

1. The quantity of ground for each team to be one-fourth of an acre.
2. The time allowed to do the work will be two hours.
3. The width of the furrow to be eleven inches, and the depth not less than six inches.
4. The furrow slice in all cases to be lapped.
5. The teams to start at one time, and each plowman to do his work without a driver or other assistant.
6. The premiums offered by the Society will be awarded to the individuals who, in the judgment of the committee, shall do their work in the best manner, provided the work is done in the time allowed for its performance.
7. No person except the viewing committee will be permitted to enter upon the grounds after the work is commenced, until the committee leave the ground.
8. Each plowman to strike his own land, and plow independent of the adjoining land.
9. Within the fourth of an acre plowed, each plowman will be required to strike two back furrowed lands, and finish with the dead furrow in the middle.

No. 36.—AGRICULTURAL PRODUCTIONS—FIELD CROPS.

Thomas P. Knox, Norristown.
John P. Rutherford, Harrisburg.
J. R. Eby, Harrisburg.
Frederick Watts, Carlisle.
Amos E. Kapp, Northumberland.
Henry Drinker, Montrose.
James Miles, Girard.—*Committee.*

[Competitors for premiums for the agricultural productions *must* produce a *full* statement of the mode of cultivation and the kind of seed used. The ground to be in one contiguous piece, to be measured by a surveyor, with chain and compass, who shall make affidavit to the correctness of the measurement of the land cultivated.

All of the corn competing for the five acre crop, and all of the corn competing for the one acre crop, must be shelled and measured between the first of December and the first of January, and number of bushels certified to by the affidavit of some other person who helped to shell and measure the same.

The grain to be measured in a sealed half bushel, or measured by weight according to the standard.

The exhibitor must also exhibit a sample of each crop, not less than half a bushel, at the annual meeting in Harrisburg, on the third Tuesday of January next.]
